

*So that all shall know, this flag was flown in the face of the enemy,  
illuminated in the darkest night by the light of justice. It proudly bore  
steadfast witness to the dawning of a new era of freedom for those who  
have never known it, bravely led by those who would give their life for it.*

*It was flown at Forward Operating Base Camp Bucca, Iraq  
on the 24<sup>th</sup> Day of March 2009,*
